TEXAS TARHEELS BASEBALL CLUB, INC.

TTBC PORTFOLIO

Texas Tarheels Baseball Club, Inc.

Texas Tarheels Baseball Club (TTBC) is a not for profit, tax exempt corporation. We do not guarantee selection to the team or equal playing time. Our **philosophy** is to play **TOGETHER** as a **TEAM** and to play **HARD**. By concentrating on these traits, **WINNING** will take care of its self.

As a Major division baseball team, we compete in AAU, USSSA, SuperSeries, IBC and other tournaments throughout Texas and the nation. **TTBC** has grown into a comprehensive year-round program that teaches as much about life as it does about baseball. The Club sets high expectations for its student athletes. **TTBC** strives to produce well-rounded and motivated individuals who show responsibility for their community. As members of this organization, our athletes are held accountable for their behavior and performance, both at home and at school. Above all, **TTBC** provides positive exposure for its participants to a diverse collection of cultures and socio-economic backgrounds. Our goal on the diamond is to teach our players the complete game of baseball as well as to help them with life skills so they will be prepared for high school baseball and be-

yond. Individualized skills instruction is continuous, as is the development of the team concept. Higher-level skills are broken down into appropriate drills, and coaches will often pose questions to the players to help them analyze and understand concepts and strategies.

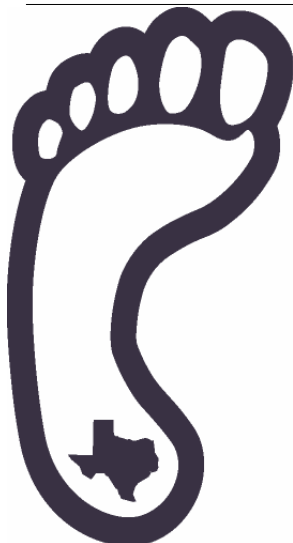

MISSION STATEMENT

It is our mission to provide a clean, safe, and positive environment for our youth to play baseball. Our emphasis is divided between helping develop individuals' physical skills and promoting lifelong skills such as self-esteem and sportsmanship. We are committed to the development of motivated, intelligent and well-rounded young athletes. We use responsibility to foster a sense of community and competitive baseball to enhance each child's individual potential.

We strive to:

- **PROMOTE** education on and off the diamond.
- **INCREASE** self-confidence through skill acquisition.
- **BUILD** a community in which parents, players and coaches are responsible for each child's success.
- **DEMONSTRATE** that people of diverse backgrounds can accomplish greatness through teamwork.

The **Texas Tarheels Baseball Club** continues to evolve into one of the most dynamic youth baseball programs in the nation. We hope that your family will join us as we fulfill our vision!

PUTTING THE FOOT DOWN!

COOPERSTOWN'S AROUND THE HORN CHAMPS!

TTBC takes the Around the Horn competition to a new level by setting a course record.

TARHEELS TAKE COOPERSTOWN BY STORM!

Champions!

Cooperstown, New York 2005

Texas Tarheels placed 5th in an 80 team National play tournament in Cooperstown, New York.

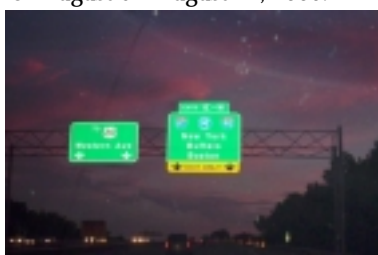

Tarheels fell to North Carolina's Team USA by a score of 2-1 in a hard-fought semifinals game. The **Tarheels** left a lasting impression on how to play the game hard and fast. Coach Greg commented, "The kids were outstanding in

their manner and poise as other team asked for their autographs. I was quite surprised to see the other teams' players take a liking to the boys as they did. The other players showed so much respect for our boys." The team was disappointed in not winning the tournament, however, it was an experience of a lifetime.

TTBC made such a lasting impression to the tournament officials that they invited the **Tarheels** to Championship Week. Due to conflict with the start of

2006 National Champions—Cooperstown, New York

TTBC were back to Cooperstown, New York the week of August 5 - August 12, 2006.

Heading to Cooperstown

After eight days of fierce competition, the Texas Tarheels Baseball Club (**TTBC**) won the National Championship in Cooperstown, New York. The Tarheels went 12-0 in the tournament and defeated the tough Virginia Crush in the championship game 7-2.

Little me.....

Monterrey, Mexico Tarheels Split Series with Mexico National Team

Both TTBC teams split with the Mexico National Team.

After a long bus ride into the heart of Mexico, TTBC started a grueling schedule of baseball with three games against some of Monterrey's best teams.

TEAM PHOTO

the local, less fortunate children. The recipients were so excited to receive equipment that they could call their own. After providing the gifts to the children, the players felt they had done something very good!

The **Tarheels** came to play baseball, but in keeping with its mission the TTBC brought hundreds of pieces of baseball gear (gloves, bats, helmets, catcher's gear, etc.) to donate to

2006 CABA International World Series Runner-up (San Juan, Puerto Rico)

After eight days of fierce competition, the Texas Tarheels Baseball Club (TTBC) finished second in the CABA International Ultimate World Series in San Juan, Puerto Rico. The Tarheels went 5-2 in the tournament and were set to play the Puerto Rico National Team in the championship. Due to rain, this game was not played hence placing TTBC in second place based on bracket standings.

Tarheels Help Hurricane Katrina Victims

After a very heartbreaking disaster in New Orleans, **TTBC** sought ways to help Hurricane Katrina victims who had come to the Austin area.

TTBC, along with the Hitting Zone in Round Rock, put together an effort to provide assistance for the displaced victims. The **Tarheels** held a cookout and the boys collected hundreds of items of clothing and household accessories to give to Katrina victims. Many displaced families were greatly assisted by their "new" Round Rock neighbors.

TTBC used this opportunity to teach the boys how to give and to appreciate the blessing

that they have. They learned that life is unpredictable: At any moment, it could be all gone—even baseball.

To the Victims,

May God continue to keep and bless you. Always know that He knows all things and is already working it out for your good.

Keep your heads high as you are His people and continue to have faith.

TTBC will continue to keep you and your family in our prayers.

May God Bless You All!
